May 19, 2020

Monday to Friday 9 am to 4 pm

About Ashish Foundation

Ashish Foundation for the Differently Abled Charitable Trust (AFDA) works with children and young adults with autism and other developmental disabilities established in 2007. We believe that each individual has the ability and deserves the opportunity to contribute to the society. We mentor families in meeting the specific needs of their children and also mentor several disability focused organisations across India.
